Weekly Memo

May 11, 2022

We are delighted to announce that we are planning a Vacation Bible School this year to be held August 15-19th. It is entitled, "Hope for the Flowers," based on the book by Trina Paulus. The leadership team is meeting this Sunday at 11:30am. Put the dates on your calendar - registration will open at the beginning of June.

The Rodmans and the Guglielmis are moving outta here!!

The Rodmans, as we may already know, will soon be moving to Vermont. We are so blessed to have journeyed with them for these many years. We will miss them dearly but know that children and grandchildren, and Andy retiring, will bring them new life. Thank you Andy and Cindy for your generosity and love. We are especially grateful in this moment as they have donated these two wingback chairs, located in the Great Hall, and an accent table, which the rector has absconded for his office.

The Guglielmis will soon be moving into a new home near Buffalo to be closer to children and grandchildren. We will miss them dearly as well. So far no chairs or tables yet, but Don has been rendering his services to accompany Katherine in her driving lessons. Kathy G. and Cindy R. were wardens when I came to St. Luke's the first time. We have shared many memories of our work together and lots of laughs. Another chapter in their lives is now calling them to embrace new life. They certainly will be missed!

Andy, Cindy, Don, and Kathy have all been involved in countless ways in our parish life in outreach ministry, administration, diocesan work and many more... We know that St Luke's will always be an open home to them whenever they may visit.

Perhaps we can plan a parish picnic some time soon to send forth these special people with our blessing.

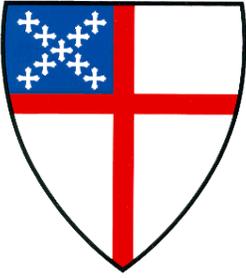

Our very industrious Quilting group will be making blankets for the NICU. They will be meeting this Saturday from 9am-3pm in the Great Hall.

They tell me that the blessing boxes will soon be in place on our property with two more projected ones to follow along the canal path. We received a grant last year to make this possible and, by George, I think we are going to actually get it done! Thank you to Sue Palomaki, Dave Grantham, and the J2A gang for bringing this mission effort to a reality.

We are collecting articles for the Hill View. The Hill View's next publication is for June 2022. Please submit your articles, photographs, musings, book/movie reviews, etc. etc. to the parish office by Wednesday June 1st for submission! slukefpt@frontiernet.net or slukefpt@gmail.com

The Vestry is meeting next Tuesday, May 17th, at 7:00pm in the Great Hall
